DETAILED ACTION

1. Claims 26-30 are canceled.

Allowable Subject Matter

2. Claims 1-25 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The limitations found in claims 1-24 are neither disclosed nor taught by the prior art of record, alone or in combination. The current art of record does not disclose the limitations of "operable to (i) selectively open and close the first controllable switch and the second controllable switch in response to a command signal and (ii) selectively open and close the second controllable switch based on a magnitude of current flow through the solenoid" in combination with the other limitations recited in claims 1 and 13.

The limitations found in claim 25 are neither disclosed nor taught by the prior art of record, alone or in combination. The current art of record does not disclose the limitations of "to receive a voltage signal representative of a current magnitude flowing through the solenoid"; "to receive the command signal, the comparator operable to supply a switch control signal based on the signals on the first, second, and third input terminals"; and "to receive the switch control signal and operable, in response thereto, to selectively open and close the second controllable switch" in combination with the other limitations recited in claim 25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
